The Championships consist of 4 series: Under 26 Open Teams ("U26"), Under 21 Open Teams ("U21"), Under 26 Women Teams ("U26W") and Under 16 Open Teams ("U16").

The Championships will be governed by the Laws of Bridge 2007, the EBL General Conditions of Contest ("the GCoC", as published on the EBL website) and these Supplementary Conditions of Contest ("the SCoC"). The exact formats and schedules for the four series will be announced when the number of registered teams is known.

3 SYSTEMS

3.1 Systems Policy

The EBL's Systems Regulations and Systems Policy (revised July 2015) apply to these Championships. All events at these Championships are designated Category 3 events.

Both members of a partnership must adopt the same methods in the auction and in their carding.

The systems must be described on System (Convention) Cards and Supplementary Sheets in accordance with Section 11 of the GCoC.

3.2 Submission of Systems (in all Championships)

Systems in all the Championships have to be registered with the EBL by June 21st 2017 by email. (See Section 11 and especially Section 11.5 of the GCoC).

The original files should be sent to the Systems Administrator: anna@ecats.co.uk. If the files are converted to PDF they should NOT be scanned versions but should be created from the original files.

Players should ensure that email addresses for both members of the partnership are also sent to the Systems Administrator.

Minor changes to systems (which may be clarifications, amendments, minor additions and/or cosmetic revisions) will be accepted by July 1st 2017. Later changes will only be

accepted at the discretion of the Head TD or Championship Manager, who may impose conditions for acceptance.

The maximum number of Supplementary Sheets is six.

The opponents' filed Systems will be made available on the Internet to all teams who have filed their Systems.

It is the obligation of each team to print and bring a sufficient number of copies of both opponents' and their own System Cards and Supplementary Sheets to the Championship. The EBL provides no facilities at the venue for teams to make copies.

4 RULES FOR RUNNING THE MATCHES

4.1 Composition and seating of teams

4.1.1 Designation of teams

The team mentioned first in the schedule of matches printed in the program is designated as the Home Team.

4.1.2 Line-up procedure for 16/20 board matches

The line-ups must be submitted electronically, and will be displayed on the display screens designated for this.

Both captains submit their line up without knowing the line-up of their opponents.

Line-ups for a round have to be submitted within 15 minutes after the previous round has ended.

For the first round the details will be announced at the captains' meeting.

Teams who infringe this regulation will be subject to VP penalties according to this scale:

- 1st occasion a written (through the communication system) warning
- 2nd occasion ½ VP penalty
- Subsequently 1 VP penalty for each occasion.

These penalties will be applied automatically by the scoring system and can only be waived by the Championship Manager in exceptional cases.

4.1.3 Line-up procedure for 32 board matches

The line-ups must be submitted electronically, and will be displayed on the display screens designated for this.

For the first match the captain of the Away team must submit the line-up of the team for the first segment at least one hour before the starting time, and the captain of the home team is allowed an additional 10 minutes.

For subsequent matches the Away team line-up for the first segment must be submitted within 15 minutes after the previous round has ended. The captain of the home team is allowed an additional 5 minutes.

For the second segment of each match the Home team line-up must be submitted within 15 minutes after the end of the first segment round. The captain of the away team is allowed an additional 5 minutes.

Teams who infringe this regulation will be subject to VP penalties according to this scale:

1st occasion a written warning

2nd occasion $\frac{1}{2}$ standard penalty; subsequently a further $\frac{1}{2}$ standard penalty for each occasion. (See GCoC Section 22.2)

4.1.4 Seating of Teams – 16 or 20 boards

The following seating arrangements shall apply:

The Home Team sits throughout in the N/S position in the Open Room and in the E/W position in the Closed Room.

4.1.5 Seating of Teams – 32 boards

The teams meet according to the schedule printed in the program. The Home Team sits throughout in the N/S position in the Open Room and in the E/W position in the Closed Room.

The Home Team has the right for the first segment of the match to nominate its players after the Away Team has nominated theirs.

When the Home Team has nominated its players for the second segment, the Away Team will nominate its players.

No change other than those referred to above may be made unless authorized by the Tournament Director in charge. Such permission will only be given in case of illness or in exceptional circumstances.

4.2 Period of Play and penalties for slow play.

4.2.1 Start of the round

Playing time for 20 boards is 2 hours 50 minutes, and for 16 boards 2 hours 20 minutes.

The period allowed is calculated from the commencement of the period of play and includes the time for system explanation and scoring procedure. Any team that is not seated and ready to play at the start of a period of play will be fined 1 VP and for each completed period of 5 minutes thereafter a further 1VP. Players are requested to be seated 5 minutes before the scheduled start of play. In case of any player entering the playing room after the commencement of the broadcasting of a match, the Director has to be satisfied that no useful information about already shown boards could have been passed to the late player and, if not, will take the necessary measures. Any team not

seated within half an hour after starting time forfeits the match. For the scores of this team and the opposing team see Section 19 of the GCoC.

If any team has been fined for being late at the commencement of a round the fines for slow play in the same round will be based on the time at which all players were seated at the table and ready to play.

4.2.2 End of the period of play.

(a) If at the end of the allocated time play has not been completed the following penalties will be imposed, eventually to be shared by the two teams according to the percentage of responsibility of each of them:

- from 0 to 5 minutes late: 1 VP.
- from 5 to 10 minutes late: 2 VPs.
- from 10 to 15 minutes late: 4 VPs.
- from 15 to 20 minutes late: 6 VPs.
- from 20 to 25 minutes late: 10 VPs.
- for delays of more than 25 minutes the Championship Committee may impose a more severe penalty.

(b) If a pair should claim that the responsibility for the slow play is with their opponents, they will do so by calling the Tournament Director who will take any corrective measures that are necessary in his opinion, including, at his discretion, the designation of a monitor at the table for as long as he considers desirable.

The Tournament Director will normally issue warnings when teams are in danger of penalties for slow play, but an absence of warning does not diminish the responsibility of the players or their liability to be fined.

If the two sides at the table are not considered to bear equal responsibility for the late finish the prescribed penalty will be divided between the two teams proportionately to the extent to which each side is deemed to have contributed to the overrun.

(c) It is a serious breach of propriety deliberately to break a Law or Rule even if one is willing to accept the prescribed penalty. Accordingly, over and above the prescribed penalties, the Tournament Director may impose an additional penalty in cases where he is of the opinion that players are indulging deliberately in unnecessarily slow play.

The following regulations will be observed in putting this rule into effect:

- (i) No such penalty will be awarded unless the Tournament Director has given previous verbal warning to the players concerned of his intention to invoke this rule.
- (ii) Such a penalty may be imposed only in respect of continued delay in the same session of play as that in which a verbal warning has been given.

- (iii) The penalty may, in the discretion of the Tournament Director, be imposed on one only or on both of the teams involved in the match in which such a delay occurs, or, at his discretion, a larger penalty may be imposed on one team than upon the other to reflect the measure of each team's responsibility for the occurrence.

4.2.3 Penalty warning

Except for a penalty under Section 4.2.2 (c) above all penalties for violations of time procedure and slow play are mandatory and require no previous warning to the players that penalties will be applied.

4.3 Penalties

4.3.1 Leaving the room

If a player leaves the playing room during a match without the permission of a tournament director that player's team will be fined ½ standard penalty (See GCoC Section 22.2)

4.3.2 Fouled board

If a board is fouled and it can be determined that one side is clearly at fault that side shall be subject to a procedural penalty equal to the standard penalty (See GCoC Section 22.2)

4.3.3 Penalties and Fines

The penalties outlined in Section 7 of the GCoC shall apply.

4.4 Playing Area

The Playing Area, as referred to in the GCoC, means the rooms where play takes place, the corridors surrounding them and the toilets.

4.5 End of rounds, results

4.5.1 IMP scale

The difference in the total point scores on each board is to be converted to International Match Points ("IMPs")

4.5.2 VP Scale

For each match there will be 20 Victory Points (VPs) at stake to be apportioned between the two teams in accordance with the VP scale published on the EBL site

4.6 Protest time

In respect of scores the protest time of all matches played in a day ends at the starting time of the last match on the day following, and in respect of the final day's play two hours

after the official finishing time of the final match but, in any case, not later than the official starting time of the Closing Ceremony.

The time for a request for a TD ruling or for a review of a ruling already received ends 30 minutes after the end of the round.

4.7 Publication of decisions

All decisions involving play, penalties, deals, infringement of the Rules, etc., will be posted through the Championships' Communication System. However, the fact that a penalty has not yet been posted and that the attention of the players or captains has not yet been drawn to it does not nullify the penalty.

4.8 Byes, Ranking and Ties

4.8.1 Byes

In the event of a team having a bye in any session it will receive 12 VPs.

4.8.2 Ranking

The teams will be ranked according to the total number of VPs each gains in the Championship.

4.8.3 Ties

A tie between two teams will be broken in accordance with the result of the match between those two teams. If there should still be a tie, then the IMP quotient of all matches against the same opponents will be taken into consideration to break the tie. Where more than two teams have the same number of VPs the tie will be decided by the result of the matches between those teams. If one of the teams has defeated all the other teams involved, it will be ranked ahead of the others regardless of the number of VPs obtained.

The other tied teams will be ranked according to the VPs obtained in the matches between them. If a further tie should still exist then the IMP quotient of all matches against the same opponents will be taken into consideration to break the tie.

A tie not broken by the above procedures shall be broken by following the relevant procedures of the WBF Regulations.

5. REVIEW PROCEDURE

The Review Procedure outlined in Section 31 of the GCoC shall apply.

6. DRESS CODE and BEHAVIOR

The players must comply with the EBL Dress code and are reminded that the code applies not only during play but also to the Opening and Closing Ceremonies. However they do not have to wear blazers, jackets, ties or neck scarves for the Opening or Closing Ceremony.

Participants do not appear as private individuals but as representatives of their NBO, and observance of high standards of deportment at these Championships and events is imperative.

7. AWARDS

7.1 Medals and Master Points

Gold, Silver and Bronze EBL medals will be awarded to the members of the first three teams, to the captain and to the coach in each series. Winners will receive the title of European Champion of the respective series.

Master Points will be awarded in accordance with the EBL Master Points scheme provided that the player has played at least one third of the boards played by his team.

7.2 Trophies

The winning team of the Under 26, Under 21, Under 26 Women and Under 16 series will receive the *David Pigot Trophy*, the *José Damiani Trophy*, the *Annaclaudia Rona Trophy* and the *U16 Kids' Trophy* respectively, which they are entitled to retain until the next event, at the beginning of which it must be returned to the EBL, care of the NBO of the winners.

8. PARTICIPATION IN WORLD YOUTH CHAMPIONSHIPS

In accordance with the current WBF regulation, the first six teams of the Under 26 series and the under 21 series, and the first 5 teams of the U26W series will qualify to represent the European Zone in the same series of the 2018 World Youth Championship. (The number of teams in the U16 series qualifying for the World Youth Championships will be determined by the WBF). In the event of the host country being invited to participate in this event and this country is among the teams qualifying, the next ranked team will be considered a qualifying team for the Championship.

In the event of the withdrawal of any of these leading teams, the three next ranked teams, in order, will be considered to have qualified for the Championship. Should more than three teams withdraw, the EBL reserves the right to make any decisions necessary concerning representation of the Zone at the World Youth Championship.

If the WBF modifies the regulation or the number of teams qualified from the European Zone, the EBL will modify the above accordingly.

9. CHANGES TO REGULATIONS

These Rules and Regulations may be amended and/or augmented at the discretion of the Championship Committee if circumstances so warrant so as to ensure the smooth efficient and enjoyable running of the Championships.
