1. INTRODUCTION and FORMAT

1.1 Introduction

This Event is to be played online, using the RealBridge platform (RB), under the auspices of the European Bridge League ("the EBL") from January 27th to February 6th 2025. The event is a Transnational event in the Senior's Category. The Event will be governed by the Laws of Duplicate Bridge 2017 as amended 1 January 2024 ("the Laws"), the [EBL General Conditions of Contest](#) ("the GCoC") and relevant Ancillary Documents as published on the [EBL website](#), these Supplementary Conditions of Contest ("the SCoC") and the separate regulations that will be communicated in letters to the teams. Unless otherwise stated or illogical in context, the definitions used in the GCoC apply also to these SCoC. But see Section 8 hereunder in connection with interpretation of the Laws.

1.2 Organization

The event will be organized on behalf of the EBL by the EBL Senior's Bridge Committee.

1.3 Format

Three rounds of 10 boards per day.

Lineups will be done by RealBridge randomly determining which pair sits NS and which sits EW.

Each board is played in 7.30 minutes with a courtesy of 2 minutes at the beginning of each round.

Updates to the above are available on the event's [microsite](#):

1.4 Draw and Lineup

To avoid the complexity of lineup submission and transmitting lineups from the EBL systems to RealBridge on every round the players will receive a personalised link. Players must only use their own personalised link.

Players must login with their name as appear in the EBL's database. The player will play under that name and id.

Each team sits at its own table in the correct partnerships.

When each round starts, the system randomly determines which pair sits NS and which pair sits EW for the match.

2. ADVANCE ORGANIZATION

2.1 Registration

2.1.1 Registration of Teams and Players' Names

Registration of teams must be submitted via the registration system as described on the event [microsite](#), no later than 25th of January 2025. Each captain must ensure that their e-mail address is provided and they should check it regularly for information or queries from the organizers.

The team must have paid the entry fee.

2.1.3 Competitor's Commitment

2.4 Tournament Directors

TDs will be selected by the EBL Championships Committee from a pool of TDs who are familiar with the RB environment. As well as responding to TD calls from players "at the table" and issuing rulings, they will also assist the players with practical matters related to the RB platform. One of these TDs will be appointed Head TD by the EBL's TD Committee.

For polling purposes, the EBL Championships Committee will appoint suitable players, not participating in the Event, to be available on call for consultation.

2.5 Credentials Committee

The names of the captain and other members of each team as submitted in accordance with Sections 2.1 and 2.3 above will be transmitted to the Credentials Committee for consideration of approval of participation.

3. SYSTEMS

3.1 Systems Policy

The EBL Systems Policy 2023 applies to this Event.

The event is classified as a Category 3 event (no HUMs or Brown Sticker methods). Both members of a partnership must adopt the same methods in the auction and in their carding. The system card must be described on System (Convention) Cards and Supplementary Sheets in **English** only, and in accordance with Section 11 of the GCoC and the [Regulations for the Registration and Use of Systems](#), and submitted as described below.

3.2 Submission of Systems

Systems have to be registered with the EBL no later than 25th of January 2025 following the procedure described on the event microsite. Captains should ensure that their e-mail address is provided and they should check it regularly so they are available for any queries that may arise concerning a system registered by their team.

Note that VP penalties and other restrictions will be applied in accordance with the GCoC for late submission.

Minor changes to systems (which may be clarifications, amendments, minor additions and/or cosmetic revisions) will be accepted up to 27th

of January 2025. Revisions will be published on the website with the other systems, marked as REV1 or REV2 etc., thus giving captains the opportunity to compare them with the original submission.

The maximum number of Supplementary Sheets is 6.

3.3 Format of System Cards for submission

System Cards must be in the correct format. Players are asked not to use the old EBL format. Any revised System Cards submitted should have the revisions highlighted to ensure that other teams are able to see easily what changes have been made.

Pairs are reminded to check that their System card fits onto two sheets (a front and a back) when printed without the font being too small, with supplementary sheets as required. A System card not formatted correctly will be rejected and the pair required to make the necessary changes to ensure that it can be printed properly.

4. RULES FOR RUNNING THE TEAMS MATCHES

4.1 Composition and Seating of Teams

Before the start of each match the 4 players who are to play seat themselves at their team's table.

No seating rights exist. In the event of a dispute over seating, the TD will resolve it by random draw.

When the match starts, players will be seated against their opponents automatically by the RB platform.

4.2 Period of Play and penalties for slow play

4.2.1 Start of the round

The time allowed is calculated from the commencement of the period of play and includes the time for system explanation and scoring procedure. Players are requested to be seated **15 minutes** before the scheduled start of play. Any team that is not seated and ready to play at the start of a period of play will be penalized as described in Section 18 of the GCoC. Any team not seated within 40 minutes after starting time by its own fault forfeits the match and may be subject to further sanction.

If any team has been fined for being late at the commencement of a round, the fines for slow play in the same round will be based on the time at which all players were seated at the table and ready to play.

4.2.2 End of the period of play

(a) If at the end of the allocated time play has not been completed the penalties defined in Section 18 of the GCoC will be imposed, eventually to be shared by the two teams according to the percentage of responsibility of each of them (but see 4.2.2 (c) below).

(b) If a pair should claim that the responsibility for the slow play is with their opponents, they will do so by calling a TD who will take any corrective measures that are necessary in their opinion. The TD will normally issue warnings when teams are in danger of penalties for slow play, but an absence of warning does not diminish the responsibility of the players.

To determine the responsibility of each side for the slow play the TD may use data recorded by the RB system. If the two sides at the table are not considered to bear equal responsibility for the late finish the

prescribed penalty will be divided between the two teams proportionately to the extent to which each side is deemed to have contributed to the overrun.

(c) The Head TD may remove unplayed boards from players if in the Head TD's opinion a delay in finishing the match in the allotted time would interfere with the smooth running of the competition. (The Head TD will take into account the time of start of play for the next round.) The match will be scored in accordance with Section 20 of the GCoC.

5 PLAYING CONDITIONS

For the purpose of the GCoC, there is no area designated as the Playing Area.

5.6 Between rounds

If a team is changing its players between two rounds in the same session, the new players are requested to join the session 15 minutes

before the start of the next round. They may join their team's table once the team has finished playing the current round.

A team captain (only) who is not playing the current round may join the session 5 minutes before the start of the next round. They may join their team's table once the team has finished playing the current round.

When the next round starts, captains and players who are not playing must leave the session immediately.

6 GENERAL RULES DURING PLAY

6.1 Convention cards and system notes.

During play, a player may refer to their opponents' system card, either online or in paper form.

A player may not refer to their own convention card or other notes.

6.2 Smoking, Eating and Alcohol

Smoking (including the use of electronic cigarettes), and eating during the play are not permitted.

Consumption of non-alcoholic beverages are permitted provided that they do not cause a disturbance or inconvenience to other players.

Consumption of alcoholic beverages is not permitted during play.

6.3 Behavior

During the match players should avoid discussion or arguments with partner or opponents. In case of dispute a player's proper recourse is to the TD.

During the match, players are asked to remain seated and not engage in any other physical activity that involves getting up from the chair (Standing / walking / stretching etc) . Penalties will be implemented if necessary.

Players must not leave the table / computer, before both rooms have finished playing. Players can only leave the table if all teammates have played all the boards and the system has redirected them to their original team's table

Going to the bathroom during the game is prohibited. In urgent cases, permission must be obtained from the TD.

6.4 Dress Code

The dress code of the EBL does not apply but players are expected to be appropriately dressed when visible.

6.5 Calling the TD

Most mechanical problems will be prevented automatically. However, it is necessary to call the TD when:

- (a) the platform has not dealt with a mechanical issue satisfactorily;
- (b) a player is unresponsive, or the play becomes 'stuck' in some other way;
- (c) there is conflicting information about the meaning of a call or play, e.g. when an alert/explanation is different from the system card or does not reflect the partnership understanding;
- (d) there appears to be use of unauthorized information;
- (e) there is a dispute over a claim/concession;
- (f) there is a request for an undo;

- (g) there is any bad behavior.

6.6 Pauses in bidding and play

At Trick One there will be delays automatically generated by the platform before the first three plays are visible:

- (a) Before the opening lead: 5 seconds
- (b) Before declarer plays from dummy: 10 seconds
- (c) Before 3rd hand plays: 5 seconds

6.7 End of rounds, byes, ranking

6.7.1 IMP scale

The difference in the total point scores on each board is to be converted to International Match Points (“IMPs”).

6.7.2 VP Scale

For each match there will be 20 Victory Points (VPs) at stake to be apportioned between the two teams in accordance with the VP scale published on the EBL website.

6.7.3 Protest time

The time for a request for a TD ruling or for a review of a ruling already received ends one hour after the end of the session.

6.7.4 Publication of decisions

All decisions involving play, penalties, deals, infringement of the Rules, etc., will be e-mailed. However, the fact that a penalty has not yet been posted and that the attention of the players or captains has not yet been drawn to it does not nullify the penalty.

6.7.5 Byes

In the event of a team having a bye in any round it will receive 12 VPs.

6.7.6 Ranking

Final rankings will be according to the total number of VPs scored by each team.

7. ALERTS AND EXPLANATIONS

Players are responsible for alerting and explaining ONLY their own calls via RB.

They must not alert and explain their partner's bid.

Question can be made orally, but the reply must be to both opponents, so they both get the same information. In the event of a dispute, if a player made a verbal question or answer to their screen mate it may jeopardize their right to redress.

The table's chat box must not be used for requesting or giving explanations.

8. PROCEDURE FOLLOWING A CLAIM OR CONCESSION

In principle, claims will be dealt with in accordance with Laws 68-71.

(a) If there is a claim and the claim is accepted but the opponents subsequently disagree, the TD will apply Law 69B.

(b) If one defender claims or concedes then the other defender has to agree before the claim/concession can be accepted by the declarer. If the other defender does not agree then play continues as in Law 68B2.

(c) If there has been a claim that the opponents have rejected (so the claiming side's cards are visible to the other side) and then a

subsequent claim/concession occurs which requires a TD ruling, determination of 'likely' and 'normal' will take into account that one side can see all the cards.

(d) If both sides agree to play on then Law 68D applies.

9. SCREEN REGULATIONS

Only Section 3 "Screens" of the Regulations for Screens, Bidding and Entering Scores, as modified by Section 6, shall apply.

10. LAWS INTERPRETATIONS and OPTIONS

Words and phrases in the Laws and GCoC applicable in face-to-face bridge, and not specifically defined in these SCoC, shall be interpreted *mutatis mutandis* to an online environment.

10.1 Call Undo

A player wishing to substitute a call under Law 25A1 shall call the TD who will rule on whether to allow the substitution.

10.2 Call or Play Undo

A change of call or play based on misinformation (Laws 47E2, 21B1(a)) may be allowed by the TD only. Otherwise, except as provided in Section 7.1, a change of call or play is not allowed.

10.3 "Face Down" Leads

There is no provision for face down leads. The opening leader should request, if interested, any information before leading.

11. RULINGS AND APPEALS

The EBL Review Regulation shall apply.

12. PRIZES AND MASTER POINTS

EBL Master Points will be awarded according to the EBL's scale.

The winning team will be awarded the Julian Klukowski Trophy and free entry to the Senior Teams or Senior Pairs Tournament of the 11th European Transnational Championship in Poznan, Poland (June 2025).

Medals will be sent to the winners provided they played at least 50% of the boards.

13. CHANGES IN REGULATIONS

These SCoC may be amended and/or augmented, at the discretion of the EBL, if circumstances so warrant in order to ensure that the event can progress in a smooth, efficient and fair manner.

14. CONFLICTING REGULATIONS

In case of a conflict between these SCoC and the GCoC, these SCoC shall prevail.

Matters not regulated here are governed by the GCoC, the Laws of Duplicate Bridge and relevant provisions and regulations of the EBL.
