Team Onstein: Bart Nab, Bob Drijver, Louk Verhees, Simon De Wijs, Ricco van Prooijen, Bauke Muller

At just over the halfway stage of the Round Robin, the Dutch representatives ('t Onstein) are comfortably leading the field. They started off by beating the Poles and then just had the edge against their eternal champions Cup rivals GS Allegra. Their next four matches all ended in wins, most of them in the 17 or 18 V.P. region, so at the end of the day their V.P. total nearly has reached three figures. Mind you, the average score for the day is 60 V.P.

Apart from them, the most consistent team no doubt has been the holders, GS Allegra from Turin. They had a shaky start against their fellow-Italians and then lost narrowly against the Dutch but after that, they registered three good wins in a row only to go down to Radkov in the last match of the day, to finish the day at 71 V.P.

The Germans played themselves clearly back into contention by scoring a good win against Norway's Heimdal team in the last match of the day, following some earlier defeats. As a consequence, they rose to 3rd spot, just behind GS Allegra, whereas Heimdal went back to 4th.

Lower down the table, there have been fluctuations all day long, as can be statistically expected. Both the LT Ilanka team from Poland and the Riehm team from France are just over average as this first day came to an end. The teams in 7th – 9th place are already 4-6 V.P. below average.

ROUND ROBIN, ROUND 1

by Jos Jacobs

VILLA FABBRICHE	vs	ALLEGRA
HEIMDAL	vs	JT3
BEMBERGER R.	vs	MONACO

On Thursday morning, the event was officially opened by EBL President Yves Aubry. In his very short speech, he thanked the Mayor of Zagreb, Mr Milan Bandic, for his presence at the ceremony. The mayor himself then made a short speech too, wishing us all good luck in the play and a fine stay in his beautiful city of Zagreb. According to protocol, he addressed us in Croatian but the President of the Croatian bridge federation, Mr Jurica Caric, was with us to translate his words into English.

Thanks to the extended coverage by BBO, it will be possible to see three out of the six matches being played in each round of the round robin. This enables me to present to you one, two or sometimes even three stories about any particular board.

In the first round, the boards were not too wild. I spotted three interesting boards: 4, 7 and 10.

Here is what I saw.

On board 4, the only makeable game contract happens to be 3NT. As this is by far the most popular game contract of them all, it struck me that only one of my six pairs in play reached it. Below, you will find the various auctions.

Board: 4. Dlr: West/All

VILLA FABBRICHE vs ALLEGRA

West	North	East	South
Madala	Lo Presti	Bianchedi	Mazzadi
Pass	Pass	1♦	Dble
Redbl	2♣	2♦	All Pass

Allegra +130. Please note Madala's initial pass as dealer, not everybody's choice, as you will see.

West	North	East	South
Pulga	Bocchi	Rinaldi	Brenner
1♠	Pass	2♦	Pass
2♠	Pass	3♥	Dble
Pass	Pass	4♦	All Pass

Villa Fabbriche +130, no swing.

BAMBERGER R. vs MONACO

West	North	East	South
Helgemo	Jagniewski	Helness	Gawel
1♠	Pass	2♦	Pass
2♠	Pass	2NT	Pass
3♦	Pass	4♣	Pass
4♠	Pass	5♦	All Pass

After the GF, Monaco were well on their way to a possible slam, only to find out that they could not even make 5♦ on this layout. ♥AK and a ruff quickly led to +100 to the Germans.

West	North	East	South
Häusler	Martens	Fritsche	Filipowicz
1♠	Pass	2♦	Pass
2♠	Pass	2NT	All Pass

With his almost sub-minimum opening bid, Häusler saw no reason to bid on. Eleven tricks when South led three rounds of hearts. Another +210 and 7 IMPs to the Reiter.

HEIMDAL vs JT3

West	North	East	South
Pilipovic	Groethem	Zoric	Tondel
1♠	Pass	2♦	Pass
2♠	Pass	3♥	Dble
Pass	Pass	3NT	All Pass

The Croatians were the only pair of our featured six to reach 3NT. They very much needed to do so after going down in a stretched slam on the previous board. Top heart and a low spade by the defence gave declarer 10 easy tricks for a fine +630.

♠♥♣♦

West	North	East	South
Aa	Marinovski	Livgard	Borevkovic
1♠	Pass	2♦	Pass
2♠	Pass	3♦	All Pass

No special ambitions in the Norwegian auction. +130 but 11 IMPs (back) to the Croatians.

On the next board to be shown, 3NT was played by South at all six tables and all Wests led a low heart to East's king.

Board: 7. Dlr: South/All

♠ 9 6 3 2		♠ A J 7
♥ J 7 5 4 2		♥ K 6
♦ 8 7		♦ K Q 6
♣ 9 5		♣ J 8 7 4 2
	♠ K 5 4	
	♥ 10 9 8	
	♦ A 5 2	
	♣ A K Q 6	

All six Easts returned a low club but two declarers went up with a top club in hand, only to find out that making the contract now needed sort of a double-dummy approach: cross in hearts and take the diamond finesse. As both honours are with East, this will work...

Anyway, Bamberger Reiter and GS Allegra gained 13 IMPs when their opponents did not find the play of running the low club return to dummy's ♣10.

On the final board of the set, the issue was to make 4♥ when you were in it.

In the all-Italian match, we saw a nice defence.

Board: 10. Dlr: East/All

♠ 9 8 5		♠ J 3 2
♥ Q 9 7		♥ 10 8 2
♦ A K Q 10 6 5		♦ 7 2

♥ A K J 6 5		♥ 4 3
♦ J		♦ 9 8 4 3
♣ A 8 7 3		♣ K 4 2

West	North	East	South
Madala	Lo Presti	Bianchedi	Mazzadi
1♥	2♦	Pass	Pass
Dble	Pass	4♥	3♦
			All Pass

North led a top diamond and shifted to the ♠8 which ran to the queen and declarer's ace. Madala cashed a top heart and continued the ♠10, correctly ducked by Mazzadi. Another spade went to Mazzadi's king and when he continued the 13th spade, North was able to discard his club.

As Madala was in dummy now, he took a club finesse but Lo Presti could ruff for the 3rd defensive trick and Mazzadi's ♣K would be the setting trick in the end. Nicely done.

Villa Fabbriche +100.

Agustin Madala (ALLEGRA) and Fabio Lo Presti (VILLA FABBRICHE)

West	North	East	South	West	North	East	South

4♥	All Pass			Dble	Pass	4♥	All Pass

In the other room, Bocchi made life easy for declarer, as it turned out, by leading his lone club. Dummy won and a heart went to the jack and queen. Bocchi cashed a diamond and exited in spades but declarer won, drew the outstanding trumps ending in dummy and simply repeated the club finesse. Another +620 and 12 IMPs to Villa Fabbriche.

In the replay, West, declaring 4♥, did not ruff the second defensive round of diamonds but threw a spade instead. He won the spade shift with his ace, cashed two top trumps and exited in spades, forcing South to win his king. South returned a spade to dummy's jack but when North could ruff the second round of clubs with his master trump, declarer was one down after all. Another +100 and 7 more IMPs to our hosts.

The final results of these three matches:

VILLA FABBRICHE vs ALLEGRA
13-14 or 9.61 - 10.39 V.P.

HEIMDAL vs JT3
13-35 or 3.61 v. 16.39 V.P.

BAMBERGER R. vs MONACO
26-5 or 16.18 - 3.82 V.P.

The obvious down two for +200 to the host team.

Gianpaolo Rinaldi (VILLA FABBRICHE) and Norberto Bocchi (ALLEGRA)

ROUND ROBIN, ROUND 2

by Jos Jacobs

The three-way report on round 2 will feature the three matches mentioned above.

On the first board, 6NT was an ambitious but quite reasonable contract. However, there were swings in a number of matches, as a few pairs bid the slam and went down in it, due to the layout as below.

One of the pairs in slam were Madala-Bianchedi for GS Allegra:

Board: 11. Dlr: South/None

♠ A 7 6 5		♠ Q J 10
♥ K Q 3 2		♥ A 9 6
♦ Q J		♦ A K 9 4
♣ A 10 5		♣ Q 3 2

♠ 9 8 4 2		
♥ J 8 7 4		
♦ 10 7 5		
♣ 9 4		

West	North	East	South
<i>Bianchedi</i>	<i>Van Prooijen</i>	<i>Madala</i>	<i>Verhees</i>
1NT	Pass	2♣	Pass
2♥	Pass	2♠	Pass
3♠	Pass	6NT	All Pass

Declarer won the passive diamond lead and immediately gave up a spade, keeping his other chances intact. North duly won his ♠K and returned another diamond but as there was no squeeze and the hearts did not break either, one down was inevitable. Onstein +50.

West	North	East	South
<i>De Wijs</i>	<i>Bilde</i>	<i>Muller</i>	<i>Duboin</i>
1NT	Pass	2♣	Pass
2♥	Pass	2♠	Pass
2NT	Pass	3NT	All Pass

Tarzan did better. Once West showed a minimum by responding 2NT to East's 2♥ GF relay, Muller decided to call it a day. Onstein +490 when North led a club and 11 IMPs to them.

On board 14, all NS pairs were in 4♠ but in our three featured matches, only one of them was allowed to play there. In the other three matches, 4♠ happened to be a much more popular contract...

Board: 14. Dlr: East/None

♣ Q J 10 5		

♠ K 8		♠ 4

1♦	1♠	2♣	3♠

2♣ showed diamonds and 3♠ was a weakish raise. When nobody doubled, the Polish conceded a rather cheap -100 for down two.

In the other room, the diamond fit got lost

West	North	East	South
<i>Radev</i>	<i>Tuszynski</i>	<i>Nedkov</i>	<i>Sakowicz</i>
1♣	1♠	Pass	3♠
3NT	4♠	Pass	Pass
Dble	All Pass		

West's double ended all prospects of a good result for the Bulgarians, whether East passed it or not.

One overtrick and +690, 11 IMPs, to the Poles.

In the Skalman v. Mossop match, the Brits had slightly the better of this board:

West	North	East	South
<i>Ja Hackett</i>	<i>Gullberg</i>	<i>Ju Hackett</i>	<i>Gronkvist</i>
1♦	1♠	Pass	Pass
Dble	4♠	Pass	3♦
5♦	Dble	4NT	Pass

Just one down, +100 to the Swedes.

In the other room, here too the diamond fit disappeared:

West	North	East	South
<i>Ahlesved</i>	<i>P Hackett</i>	<i>Bergdahl</i>	<i>Price</i>
1♣	1♦	Pass	Pass
Pass	4♠	Dble	3♠
Pass	Dble	5♣	Pass

Against the Strong Club, 1♦ showed spades. When East chose the unluckier minor, his side had to concede down two and thus lost 5 IMPs.

ALEJANDRO BIANCHEDI
ALLEGRA

On board 16, the problem was how to reach 3NT.

Board: 16. Dir: West/EW

This was not the way to get there...eleven tricks on a low spade lead, Onstein +210

<i>De Wijs</i>	<i>Bilde</i>	<i>Muller</i>	<i>Duboin</i>
1♠	Pass	Pass	Dble
Pass	2♥	Pass	2♠

GS Allegra not only managed to reach game but they also retransferred it into the South hand.

West led a top spade. Declarer won, crossed in clubs and led a diamond to his king which was allowed to hold. Nine tricks, GS Allegra +400 and 5 IMPs to them.

In the match between Radkov and LT Ilanka we saw the same swing:

West	North	East	South
<i>Krupowicz</i>	<i>Tenev</i>	<i>Zawada</i>	<i>Tiholov</i>
1♠	Pass	Pass	Dble
Pass	2♥	Pass	2♠
Pass	3♦	Pass	3NT

Top spade lead and ♦K from hand, which won the trick. Radkov +400.

West	North	East	South
Radev	Tuszynski	Nedkov	Sakowicz
1♠	Pass	Pass	Dble
Pass	2♥	Pass	2NT
All Pass			

Low club lead, one overtrick, Ilanka +150 but 6 IMPs to Radkov.

The two subsequent boards brought victory to the Swedes in their match by two successive swings.

Board: 17. Dlr: North/None

West	North	East	South
Ja Hackett	Gullberg	Ju Hackett	Gronkvist
	Pass	Pass	1♣
Pass	1♠	Pass	1NT
Pass	2♣	Pass	2♦
All Pass			

1♠ showed a 1NT response and 2♣ was the nowadays popular transfer to 2♦, this time passed by North. One overtrick, Skalman +110.

West	North	East	South
Ahlesved	P Hackett	Bergdahl	Price
	Pass	Pass	1♣
Pass	2♣	Pass	2NT
Pass	3♦	Pass	3♠
Pass	5♣	Dble	All Pass

2♣ also showed diamonds but once South went on over 3♦, trying to get to 3NT, the pair was in some trouble. Five Clubs certainly might have had some play but not today. When East could find a double, the costs were -300 or 9 IMPs for down two when declarer took two losing spade finesses.

In the Onstein v. GS Allegra match, there also was a swing on this board but not such a big one:

West	North	East	South
Bianchedi	Van Prooijen	Madala	Verhees
	Pass	Pass	1NT
Pass	2♦	Pass	2♥
Pass	2♠	Pass	3♣
Pass	3♠	Pass	5♣
All Pass			

A much more routine-like auction than in the match above for just down one undoubled on a top spade lead. GS Allegra +50.

West	North	East	South
De Wijs	Bilde	Muller	Duboin
	Pass	Pass	1♣
1♠	2♣	Pass	2NT
All Pass			

The defence took four rounds of hearts and exited with a top spade. Duboin then carefully made his eight tricks, not too difficult when the diamonds came in for five tricks. GS Allegra +120 and 5 IMPs to them.

Daniel Gullberg
UPPSALABRIDGEN

On the next board, 3NT was the popular contract but one pair found a nice sacrifice:

Board: 18. Dlr: East/NS

When Ahlesved elected to show both his minors, Bergdahl thought he had a useful hand – and he was

Tommy Bergdahl

right. Top heart lead and a trump but the one club ruff in dummy produced declarer's 8th trick for a loss of only -300 and a gain of just 7 more IMPs.

The final results of these three matches:

ONSTEIN vs ALLEGRA

17-14 or 11.14 – 8.86 V.P.

SKALMAN vs MOSSOP

16-11 or 11.85 – 8.15 V.P.

RADKOV vs LT ILANKA

11-13 or 9.23 – 10.77 V.P.

ROUND ROBIN, ROUND 3

by Jos Jacobs

is too high. One down, Radkov another +100 and 13 IMPs to them.

In the Mossop v. Heimdal match, we saw the same problem and thus the same swing:

The first board after the copious lunch was a slam – or maybe not...

Board: 21. Dlr: North/NS

One down, Heimdal +100.

West	North	East	South
Ja Hackett	Berg	Ju Hackett	Austberg
	1♣	Pass	1♦
Pass	1♥	Pass	3♠

Nebulous club and heart transfer, followed by an auctosplinter, was not enough for North to go on.

Heimdal another +650 and 13 IMPs to them as well.

Helgemo	Tenev	Helness	Tiholov
	1♦	Pass	1♥
Pass	1♠	Pass	2♦

The forcing 2♦ rebid and the forward-going 2♠ by North brought the possible slam into the picture but when North could not bid 4♦ over 4♣, South had no good reason to go on. Well judged. Eleven tricks, Radkov +650.

A few boards later, it was a matter of sacrificing or not against the right or the wrong game contract.

which East jumped in with the ace to cash a few more spade tricks but far from enough...One overtrick, Mossop +430.

4♥ was duly reached after yet another 10-12 NT but it happened to be the wrong game, even more so with South the declarer. One off, another +50 and 10 IMPs to Mossop.

Finally, Allegra v. Riehm for the other side of the coin:

Radkov v. Monaco:

West	North	East	South
<i>Helgemo</i>	<i>Tenev</i>	<i>Helness</i>	<i>Tiholov</i>

Helness led his heart but with the suit breaking 4-1, declarer could, not both draw trumps and establish some club tricks without losing control. When declarer drew three rounds of trumps and ran the ♣10, Helgemo won the queen and returned the suit for a ruff and a quick one down. Monaco +50.

Dangerous sacrifice at this vulnerability, one would think – and so it proved. Top diamond lead and a trump restricted declarer to his five spades and two club tricks. GS Allegra +800.

At the other table, the French saved a few IMPs by reaching the correct game contract but their score of +400 still resulted in a 9-IMP gain for GS Allegra.

When Multon opened a 10-12 NT, 2♦ showed a Multi, enabling Zimmermann to first show his hearts in Rubensohl fashion and then passing Multon's alternative game suggestion. Well done, as 3NT cannot be defeated. Monaco another +400 and 10 IMPs.

The same swing occurred in the Mossop v. Heimdal match:

When Bilde ventured an overcall, he had to pay the price for it when the distribution was not too pleasant for him. Two down, Riehm +200.

♠AK and a ruff, heart back to the ace, heart exit to East's queen (nice crocodile play) and another spade for West to overruff dummy. That was five tricks with the two minor suit kings still to come.

1♠ showed a 1NT-type response. When North balanced, South courageously passed and led a fine ♦9 which ran to declarer's king. East continued a heart to the king and North's ace. A low spade came back, declarer winning his ace and cashing the hearts next. When Bocchi went on to play the ♠K first, hoping for an endplay, rather than a club to dummy's king for a possible 7th trick and an equally possible down two or three, he had in fact conceded down one. Riehm another +200 and 9 IMPs.

In the Mossop v. Heimdal match, the British ran into an expensive phantom sacrifice on the next board:

1♦ was a transfer, East's 1♥ was a heart take-out and South's double was support.

When declarer won the ♣K lead in dummy, he had to get to his hand to play a heart up. Had he done so by leading a low trump, he might have got home but when he ruffed a club first, the hand went out of control. One off, another +50 and 11 IMPs to Heimdal.

The next board was yet another case of 3NT making and 4♥ going down.

ROUND ROBIN, ROUND 4

ALLEGRA

vs

BAMBERGER

After three rounds, the standings are beginning to open up. 't Onstein are leading the field, followed by the holders GS Allegra and Germany's Bamberger Reiter. As the latter two were scheduled to meet in this round, I decided to concentrate mainly on this match.

This seemed to be an excellent shot (albeit a little one-sided) when one looks at the first three boards.

Board: 1. Dlr: North/None

	♠ A K Q 9		
	♥ Q 10 3		
	♦ 8 4 2

Häusler	Bocchi	Fritsche	Brenner
Pass	Pass	Pass	1♦
Pass	1♠	Pass	1NT
Pass	2♣	Pass	2♦
Pass	2NT	Pass	3NT
All pass			

Nothing special in an auction with the modern checkback in operation. It was a matter of the right lead. West led a low heart on which Brenner went up with dummy's queen. He next took a losing diamond finesse but with the suit breaking, nine tricks were secure. GS Allegra +400.

West	North	East	South
Bianchedi	Jagniewski	Madala	Gawel
Pass	1♣	Pass	2♣
Pass	2♦	Pass	3♣
Pass	3NT	All pass	

2♣ showed diamonds but here too, the auction was basically natural. When West led a spade, declarer was

in trouble when the diamond finesse at trick two lost. He could no longer afford a heart guess as the defenders would then simply rise with the king and cash three more clubs.

So he played clubs himself but when no (unlikely) endplay developed, he had to concede one down.

GS Allegra another +50 and 10 IMPs to open their account.

On the next board, the Italians struck again.

Board: 2. Dlr: East/NS

Well, the sacrifice was a shade too expensive but this would not have hurt too much, had the teammates been in their vulnerable game. Down four, GS Allegra +800.

West	North	East	South
Bianchedi	Jagniewski	Madala	Gawel
1♠	2♠	1♣	1♦

1♠ showed a 1NT response and 2♠ was natural, of course. When South, who was looking at two aces, did not find a polite spade raise at either of his next turns to bid, it rested in 3♣.

The contract went down one but GS Allegra had gained another 13 IMPs.

Then, to complete the hattrick of double-figure swings:

Board: 3. Dlr: South/EW

♠ 9 8 7 2 ♥ A 10 6 ♦ 9 8 6 5 ♣ J 4	<table border="1" style="margin: auto;"> <tr><td></td><td>N</td><td></td></tr> <tr><td>W</td><td></td><td>E</td></tr> <tr><td></td><td>S</td><td></td></tr> </table>		N		W		E		S		♠ K Q 6 ♥ K 7 5 4 ♦ A Q 7 ♣ 8 6 3	♠ A J 10 5 ♥ 8 2 ♦ K J 4 ♣ A K Q 2

Apparently, EW were unsure as to the way of attacking the opposition's very weak NT opening. One down. Bamberger Reiter +50.

West	North	East	South
Bianchedi	Jagniewski	Madala	Gawel
Pass	1♣	Dbl	Pass
1♠	Pass	2♣	Pass
2♦	Pass	3♠	Pass
4♠	All pass		

When North opened a Polish Club at the other table, EW had little trouble in reaching their game contract. One overtrick, GS Allegra +650 and another 12 IMPs to lead 35-0 after just three boards.

The match looked over and so it proved, at least for the Italian part of the scoring. They added just two more IMPs on the nine boards still left to be played.

On board 6, no pair managed to bid a making slam, though there are a lot of them available. With East the declarer, both 6♦ and 6NT are OK and even the exotic 6♥ will make with careful play (avoid crossing to hand in diamonds) as there is no communication for a ruff. Diamond lead to the ace, ♥J wins, ♣ ruff to hand, ♥K to the ace any time, spade back to the ace, clear trumps if necessary and cross to dummy's diamonds and top clubs.

However, at all tables they were in spades, understandably so with a nine-card fit – but not too successfully. The happy few who missed the slam scored heavily and the slam bidders had to wait and see what would happen at the other table.

When the low club lead went to dummy's jack and East's ace, declarer had taken the main hurdle. Just made, GS Allegra +110.

Pass	2♦	Pass	1♠

With the ♣K protected in declarer's hand, the contract needed little more than the diamonds producing 7 tricks, no matter whether the defence would lead hearts or clubs. With the club lead out of the question for East, a heart hit the table, but declarer took dummy's ace and led a diamond to the queen. When the ♦A cleared the suit, he was home...+600 and 10 IMPs to the Germans.

A superior partscore on the penultimate board brought the Germans another 6 IMPs but GS Allegra still won the match 37-16 or 16.18 - 3,82 VP to very much consolidate their second spot.

ROUND ROBIN, ROUND 5

by Jos Jacobs

MONACO

vs

ONSTEIN

In Round 5, the big match certainly was the one between the leaders 't Onstein and Monaco. To a certain extent, this match could be considered a replay of the recent World Bridge Games final in Wrocław. The tournament situation, however, was not quite the same. In Poland, it was a final but here, it was Monaco who were badly needing some V.P. as they had scored just average over the first four rounds and time was already slightly beginning to run out for them if they wanted to make it into the top four. They certainly would have to avoid a big defeat to keep their chances for tomorrow intact.

First blood in this match, however, went to the Dutch:

2♠	Pass	3♠	Pass
3NT	Pass	4♠	All Pass

Strong Club in action. 3♠ showed a non-minimum raise but 3NT showed a minimum. Muller then signed off in 4♠, the normal contract.

North led a heart which was allowed to hold. He shifted to a diamond which went to South's king and a heart came back, declarer winning the ace. De Wijs' next move was to cash the ♠A. When he continued a club to dummy and a spade up to his ♠Q9, his problems were over when the jack appeared. Very well played for a fully deserved +420.

West	North	East	South
Helgemo	Van Prooijen	Helness	Verhees
1NT	2♦	Dble	Redbl
Pass	2♥	Pass	Pass
3♠	Pass	4♠	All Pass

Over 1NT, North bid a Multi 2♦. South's redouble asked North to bid his major and here too, the normal 4♠ was reached.

When Helgemo immediately won the ♥K lead and returned the suit, he was quickly one down. North took the trick and simply continued the suit, South overruffing dummy's ♠10 with the jack. Declarer later had to lose the ♠K and ♦K as well. Another +50 to 't Onstein and 10 IMPs.

On the next board, Monaco immediately hit back:

West	North	East	South

	Pass	Pass	3♠
Dble	4♠	5♥	All Pass

Helness did not wait for his partner's second double

(or whatever) but went straight to 5♥ over 4♠. Well judged and made with an overtrick for +680 and 10 IMPs back to Monaco.

Two quiet boards and then a Dutch hattrick of double-figure swings:

Board: 16. Dlr: West/EW

♠ 2 ♥ 6 ♦ J 7 6 5 4 3 2 ♣ A 9 8 7		♠ AK8754 ♥ Q82 ♦ K10 ♣ Q2	♠ J10 ♥ J1043 ♦ Q8 ♣ KJ1065

This time too, 3NT was “non-serious” but when South forgot to retreat to 5♠ over 5♥, the Monegasques suddenly were in the wrong game contract, having to lose two clubs and a trump as they were not playing on a double-dummy basis. ‘t Onstein +50.

As the Dutch did not go beyond 4♠, they could add another 11 IMPs to their tally as 4♠ made with two overtricks when the clubs were not cashed immediately.

Then:

Board: 17. Dlr: North/None

♠ 10 9 7 6 3 ♥ J 10 8 4 ♦ AK5 ♣ Q		♠ K52 ♥ AK65 ♦ 872 ♣ 632	♠ QJ8 ♥ 72 ♦ J103 ♣ KJ874
West <i>De Wijs</i> 1NT 2♣ All Pass	North <i>Multon</i> Pass Pass	East <i>Muller</i> Pass 2♠	South <i>Zimmermann</i> Dble

Over the 10-12 NT, 2♥ showed majors so EW reached their spade fit without any trouble.

The defence started off with two rounds of trumps and a diamond back but when South did not play a heart after winning his ♣A, two overtricks were the bonus. ‘t Onstein +670.

West <i>Helgemo</i> Pass Pass 1♠ Pass	North <i>Van Prooijen</i> Pass 1♥ Dble 3♥	East <i>Helness</i> 1♦ Pass 2♠ All Pass	South <i>Verhees</i> Pass Pass Dble
---	---	---	--

The Monegasques were in 2♠ doubled as well but North wisely ran. 3♥ was not a success but two down undoubled at 50 per undertrick gave the Dutch another 11 IMPs.

The next board was a slam:

Board: 18. Dlr: East/NS

When NS never mentioned hearts, they ended up in the wrong denomination. West led the ♦K and as declarer's best play was a spade finesse, the contract was one down at trick four. Another +100 to 't Onstein.
